

**REMARKS**

Claims 3 and 4 have been amended. No new matter has been added.

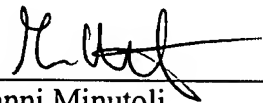

Applicants thank Examiner Peffley for his courtesy in conducting a telephonic interview with Applicants' representative Jennifer McCue on October 11, 2007. As discussed during the interview, the language that is being inserted into claims 3 and 4 was previously added to the claims in the Preliminary Amendment filed December 27, 2004, but was inadvertently removed from the listing of claims in the Amendment filed on September 18, 2006, without those claims being shown as amended. Examiner Peffley indicated that an amendment under 37 C.F.R. 1.312 should be filed to correct the claim language.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 04-1073 referencing docket no. E7900.2006/P2006.

Dated: October 17, 2007

Respectfully submitted,
